

## Talent Insights - January 2021

### Happy New Year!

The latest on high-impact, high-quality coaching,  
leadership acceleration, and career transition

### The New World of Work is Here to Stay

In our recent LinkedIn poll, 68% of respondents indicated that their teams would remain either fully or partially remote in 2021, further confirming that WFH culture is here to stay. As you step into the new year, now's the time to brush up on some strategies for keeping your remote workforce engaged and productive. [Read Blog Post >>](#)

## Helping Transitioning Workforces in the Commercial Real Estate Industry

Like many other industries, commercial real estate (CRE) was hit hard by the pandemic, with offices and other workspaces abandoned for home offices, sending vacancies soaring, rents declining, and, ultimately, having a negative impact on the CRE workforce. Learn how we helped on client manage a 1300% increase in outplacement in less than six months. [Read Now >>](#)
